Supporting a Commitment to Enriching Lives and Building Futures

Empowering Independence by Strengthening Community Supports and Services

NJACP represents a dynamic and diverse community of providers that are dedicated to enriching lives and building futures for people with intellectual and developmental disabilities. In addition, our agencies offer a full range of services, including, but not limited to, residential, vocational and employment, family support, support coordination and self-directed services. NJACP remains committed to its members through the many and varied services it provides including advocacy, education, networking, information sharing & professional development.

Serving Our Members:

With the objective of supporting & strengthening our member agencies, **NJACP** provides advocacy, benefits, education, training and timely information, among many other benefits.

Classes of Membership Agency (Voting Membership)

Agency Membership is limited to private agencies whose mission and practice is to provide community based programs and supports to persons in New Jersey with intellectual and developmental disabilities or other disabilities.

Affiliate (Non-Voting Membership)

Affiliate Membership is limited to individuals, organizations, and/or agencies that have a professional interest in furthering the field of disabilities and whose primary reason for involvement is to support NJACP in accomplishing its mission.

Affiliate Members have no formal affiliation with a provider of services to people with intellectual and developmental disabilities or other disabilities but do conduct work that is related to the provision of care to this population.

Business Associate (Non-Voting Membership)

Business Associate Membership is limited to businesses that are supportive of NJACP's mission and provide services and/or products that support providers who serve people with intellectual and developmental disabilities.
